**12TH AND SAC FILMS & OSAKA SUNSET PICTURES
TEAM UP ON SPEAK NO EVIL**

Chicago – Dec. 18 2020 – **12th And Sac Films** and Osaka Sunset Pictures are partnering on a documentary project, *Speak No Evil*, the story of two men - Donald Lang, a Black, deaf man from the Westside of Chicago, and Lowell Myers, a White, deaf man from the Northside.

In 1965, Lang was arrested for murder and Myers was appointed to be his lawyer. Their story was famously adapted in a book and TV movie in the '70s called *Dummy*, in which LeVar Burton played Lang and Paul Sorvino played Myers.

Director Jason Lapeyre of Osaka Sunset Pictures and Producer Shawn D. Price of 12th And Sac Films are thrilled to be working with their very talented team to tell this amazing story.
